Luna

Throw Her A Boner

You stop and gaze in wonder at gorgeous 18-year-old Luna, washing her dog in the backyard. "What are you staring at, silly?" she asks. You tell her she's so beautiful you can't take your eyes off her. Luna beams. "So you think I'm beautiful," she says, lifting her shirt. "Do you think my tits are beautiful, too?" You nod. She strips and gets in the washtub on all-fours. "Is my ass beautiful, too?" she asks with a giggle. But you don't answer her. You're too busy cumming.

Playful and frisky, but too old for dolls,
horny little girls need a new kind of toy to play with...

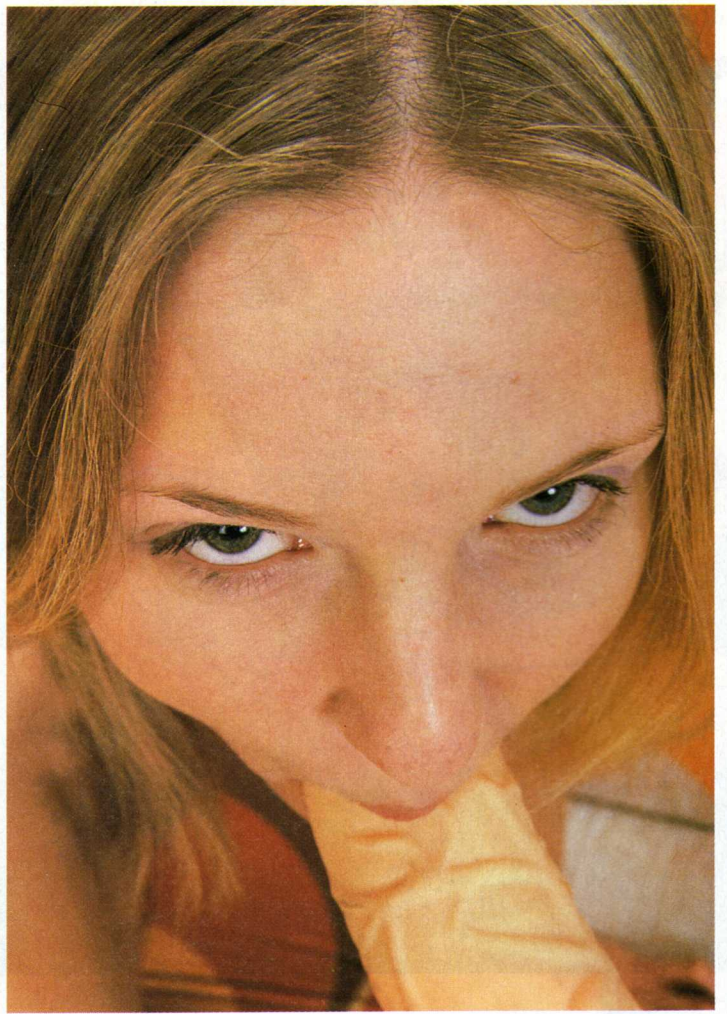

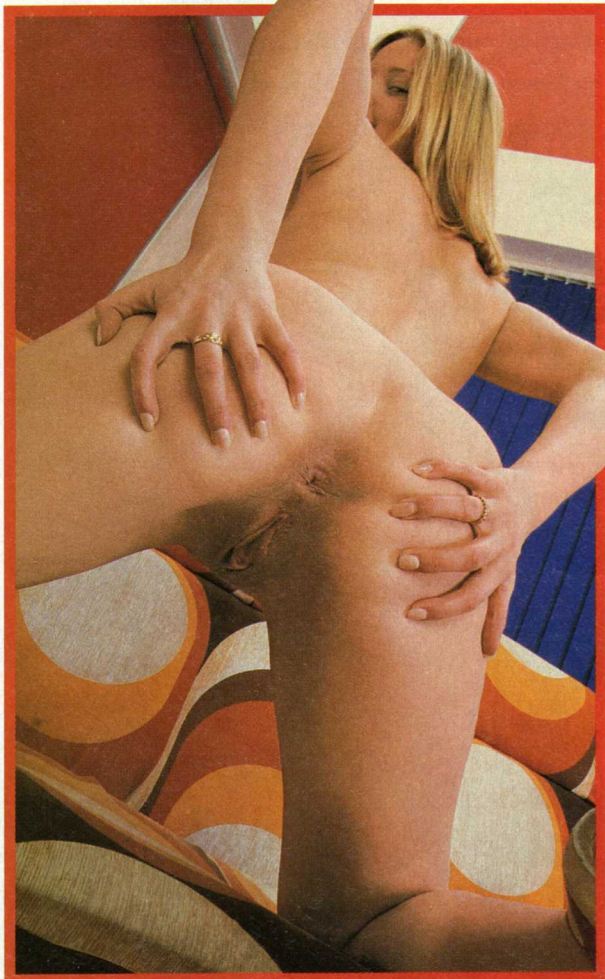

Toys for Twats

“For me size matters,” says young Hannah. “I know some girls say it doesn’t, but I think they’re closet lesbians who’d rather get licked than fucked anyway. When I have a cock inside me I want it *big*! I want to be stretched to the limit. I want to feel like my whole body is wrapped tight around a giant pole plunged right through the center of me. I love cramming my cunt with the biggest dildos that will fit, and lately I’ve been trying to fit a small one in my ass.” So why couldn’t she get her big, giant dildos shoved all the way in? “Give me a break! I’m just a little 18-year-old girl! It’ll take a lot more dildo fuck sessions before my little hole can take anything that big!”

Lulu

Stretched
to the Limit

ust-18 Lulu is a petite, tiny teen, but she likes big guys. She figures big guys have big dicks. So when her parents hired two big, buff guys to paint the house, little Lulu got very excited. Coming home from school early, she slipped into a pair of shorts and a tiny top to show off her teen legs and her smooth, young belly. Then she went to watch the guys work. She didn't have to say much before they got the message. Soon their big, strong hands were groping her, and her little fingers were wrapping around their stiff, throbbing dicks. She was right—they *did* have big cocks! Lulu was in heaven, feeling them lift her like a doll, stuffing her mouth and tight, teen pussy to the limit with their giant pricks. She squealed in glee as they jerked their cocks in her face and blasted their loads. It was her first double-cum facial. And, hopefully, not her last.

GIVE THANKS, GIVE HEAD

A Thanksgiving Play Turns Into A TEEN ORGY!

It's Jessica's first semester with her new friends at college, all of them freshman, all of them theater students, all of them little more than 18. So when the Dean asks them to reenact the first Thanksgiving for one of his little fund-raisers, all Jessica can think about is having her first-ever orgy. It would be sooo cool! Mostly Jessica just wants to lick her friend Linda's pussy, taste what another girl is like. But that isn't going to happen unless Jerry, Linda's boyfriend, is occupied with something—or someone—else. No one knows just how much of a dirty-minded young girl Jessica is. And to Jessica's advantage, no one's read the sucky script for their play, not even up until the day of the dress rehearsal...

"On this historic occasion," reads Mike, dressed as a Pilgrim, "I wish to give thanks to God Almighty for sending us the Red Man, who has given us such a—wait a minute! Red Man? Who wrote this bullshit?" Mike tosses his script on the banquet table.

"That's not even the worst!" says Linda, dressed in buckskin and braids like an Indian squaw. "Look what I'm supposed to say: 'We heap big thankful for white man, show us new ways...'. Where'd this script come from?"

"Look, I know, Pocahontas," says Jessica, done up like a Puritan maid. "But it's not that bad. We do this for the Dean's little Thanksgiving fund-raiser, we get our extra credit, and it's over."

"I am *not* Pocahontas!" yells Linda.

"Yeah, and that's too bad," Jerry, the other Indian, says. "I always thought Pocahontas had nice, big tits!"

Linda crosses her arms over her chest. "And if you're supposed to be an Indian chief, how come your dick isn't bigger than your mouth?"

"Maybe I should get myself a new squaw," Jerry says. Sidling up to Mike, he points at Jessica and Tiffany in their Pilgrim dresses and aprons and says, "How much for the paleface women?"

Tiffany, who is rather pale, blushes bright red. "Jerry! I am not for sale!"

"Now hold on," Jessica grins. "This might not be such a bad deal. I mean, you know how the Puritans were. How much wampum you talkin' here, Geronimo?"

"Injun no buy pig in poke!" Jerry says, still doing his fake-Indian act. "Want see goods first! You strip 'em clothes!"

"Okay," Jessica says, reaching around to untie her apron. "Let me just get out of this stupid costume..."

"Hey, now wait a minute—" Jerry stammers. "I didn't mean—" The sound of her zipper cuts off his words and everyone stares as Jessica pulls her arms out of her sleeves and bares her chest. She's not wearing a bra. Her young breasts, shapely and round, stand out above the Puritan costume she has shimmied down to her waist. Hard, pink nipples poke out from creamy skin. Jessica smiles proudly, reveling in the shocked silence.

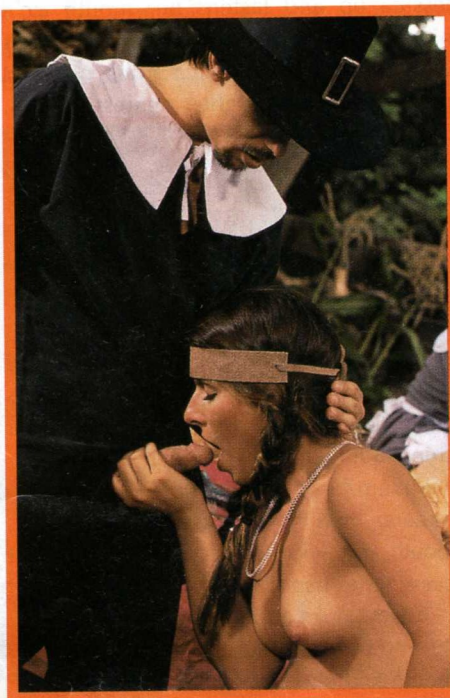

Jerry, not knowing what else to do, pulls a wallet out of his buckskin pants. "Wampum?" he asks. His eyes are practically bulging out of his head as

he flips through his cash.

"I don't think you need that," Jessica says, coming forward and slipping her arms around Jerry's neck. "A little diversion is just what we need."

Jerry raises his hands slowly, almost afraid, and lays them on Jessica's breasts. Then he pulls her tight and kisses her hard.

**Tiffany goes to her
knees in front of Jerry.
She never gave a
blowjob before, but
she always wanted to...**

She groans and melts against him, one hand slipping down to massage his cock, already hard and making a bulge in his pants.

Linda shifts uncomfortably, feeling her pussy getting wet, but not sure if she can do anything about it.

Jessica breaks off the kiss and looks over at the rest of the group, just staring like morons. "What's wrong?" she asks with a wicked little smile. "Don't you want to join in?" Before anyone can speak, she takes Linda by the wrist and pulls her into her arms, kissing her hard. Linda moans in pleasure, pressing her breasts against her, wishing her costume wasn't in the way.

Mike grabs the zipper of her dress and pulls down hard, splitting her costume down to the waist. Linda gives a little shriek and turns, but he kisses her before she can say a thing. Jessica slides the dress off Linda's shoulders, letting it fall to the ground, and embraces her from behind, cupping her breasts and rubbing her nipples. Linda gasps and presses her hips against Mike, grinding herself against his erection.

Tiffany, meanwhile, stands stock-still, watching with a mix of shock and fascination on her face. It seems that everyone has forgotten about her, but she is happy to just watch the fun, positive that she is the only virgin in the group, and afraid of everyone finding out, of everyone knowing....

"Hold on!" Jessica says suddenly. She pushes Mike and Linda apart, taking Linda in her arms possessively. "I want her to myself, okay?"

"But..." Mike protests. Linda says nothing as Jessica strokes her thigh, moving her hand closer and closer to the hem of her panties. "What about me?" Mike finishes.

"Yeah, and me!" Jerry says. His shirt is gone and the bulge in his pants looks huge and disturbing.

Jessica rolls her eyes. "Hello? Tiffany's right there and she hasn't gotten jack shit yet!"

"Oh, hey, that's okay..." Tiffany stammers. The two guys flank her, standing close, and she flushes, looking from one to the other.

"But you don't want to miss the fun, do you?" Jerry says, untying her apron.

"N-no, but you don't have to if you don't want to—"

"Oh, we want to." Jerry kisses her deeply, sliding his hands down to cup her ass. "Don't you?"

"Y-yes!" she says, and kisses him back, moaning into his mouth, a look of bewildered bliss on her face as Jerry and

Mike pull her clothes off....

Jessica has Linda against the table. Kneeling between her legs, she hooks her fingers in the waistband of Linda's panties and pulls them down slowly, kissing and tonguing the insides of her thighs, coming so close to her pussy, but never close enough.

Linda groans and tangles her fingers in Jessica's hair. "Come on, please, please..." she says.

Jessica licks her lips and smiles sweetly up at her. "Please what?"

"You know what!" Linda shivers. "Please...eat my pussy!"

"Yeah, this is what the first Thanksgiving should've been like," Jessica observes. "We'd have a much better country." She bows her head and blows a breath of warm air over Linda's pussy, making her cry out softly. Then, deciding she'd done enough teasing, she presses her mouth against Linda's wet cunt and sucks hard, drinking in her pussy juices and rubbing her tongue back and forth over her hard little clit. Linda arches her back and moans....

Tiffany goes to her knees in front of Jerry, fumbling eagerly at the fly of his pants. She never gave a blowjob before, but she always wanted to see what it was like. She unzips his pants and pulls his hard, throbbing cock out. The head glistens with clear, shiny pre-cum and Tiffany stares in awe. "I didn't know they got that big!"

Jerry grins and puts his hand on the back of her head, urging her forward gently. "I'm sure you can handle it."

Tiffany wraps her hand around his dick and squeezes softly, testing it. He draws in a sharp breath as she sticks out her tongue and licks slowly around the head, tasting the salty pre-cum. Reaching behind him,

Jerry finds a chair and sits down hard. Tiffany smiles and slips the head of his cock into her mouth, moving slowly up and down, sucking his knob while stroking the shaft with her hand.

Mike pushes Tiffany's skirt up to her waist and yanks her panties down. Her eyes widen as she realizes what is happening, and she bends forward to deep-throat Jerry's cock, spreading her legs and pushing her ass up, opening her wet, ready pussy for Mike. He slides two fingers in and strokes them in and out of her tight hole, feeling her moist grip, making her even wetter as she squirms and moans....

Linda hears Tiffany moaning, but she doesn't pay any attention, because Jessica is climbing up onto the table, straddling her, pressing against her clit to clit, leaning down to kiss her deeply. Linda pushes Jessica up and fastens her mouth to a nipple, sucking hard, stroking it in circles with her tongue. Jessica cries out and presses her pussy tighter against Linda's, grinding against her.

"I wanna try something," Linda says suddenly.

"Huhh?" Jessica responds, breathless.

Linda lays down again, hands behind her head, looking timid. "Would it be crude if I...well, asked you to sit on my face?"

"Of course it would." Jessica sits up and slides a wet trail of pussy juice up Linda's belly, between her breasts, and up to her chin. "But I don't mind...."

Mike rubs Tiffany's clit between his two fingers, then brings his hand up to his mouth and licks her juices off. "God, your pussy tastes good!"

Tiffany looks at him over her shoulder, a thin strand of spit running between her mouth and Jerry's cock. "Does it feel good,

too? On just your fingers...?" she says, a hint of worry creeping into her voice.

Jerry laughs. "I think she's ready for more, man," he says to Mike. "Come on, Tiff, go back to what you were doing... I promise you'll get what you need!"

Tiffany nods and licks her lips, then runs her tongue along the shaft of Jerry's cock, cupping his balls in one hand, stroking and massaging them gently, squeezing just a little.

Jerry stiffens and moans as she flicks her tongue over his balls before taking the head of his cock in her mouth and sucking hard, bobbing her head up and down.

Mike teases Tiffany's pussy just a little longer, rubbing his hard dick up and down against her soaking wet hole. Hearing her muffled moans as she sucks Jerry's cock, he can't wait any longer. Grasping her hips, he pushes forward hard, burying his cock deep inside her cunt in one hard thrust. Tiffany gives a yelp of mingled surprise and pleasure, pushing back against him. Mike groans out loud and starts thrusting, slow at first, then faster and harder, stroking in and out of her tight wet pussy....

Jessica swings her body around so she is facing Linda's feet, straddling her face, her pussy lips just an inch above Linda's mouth. Linda raises her head and sticks out her tongue, sliding it between the wet pussy lips and into Jessica's cunt, sliding it in and out, fucking her with her tongue. Jessica gasps and lowers her hips, pressing her dripping, wet pussy against Linda's face. Linda smiles through the wetness and runs her tongue around every fold and crevice, drinking in all the sweet, salty juices.

against Linda's body, rubbing her nipples on the smooth, taut skin of her stomach. As Linda strokes her tongue up and down, Jessica does the same, mirroring Linda's every move. The two girls writhe against each other, burying their faces in each other's fresh, young cunts, sniffing, licking, and sucking with growing enthusiasm as they bring each other closer to cumming....

Tiffany bobs her head up and down, faster and faster, practically deep-throating Jerry's cock every time Mike thrusts hard into her pussy. Suddenly, though, Mike stops, his cock buried deep inside her.

Tiffany, her rhythm interrupted, looks up with a wounded expression. "Why'd you stop?"

Mike winks at Jerry, who doesn't mind at all that his cock has slid free of Tiffany's mouth.

"There's just one more thing we wanna do," Mike says, his hand trailing down Tiffany's spine to the curve of her ass. "I mean, you've had a cock in your mouth and a cock in your pussy. What else is there?"

"You wouldn't!" Tiffany says, wide-eyed.

"I will if you will." Mike slips the tip of his finger between Tiffany's butt-cheeks, tickling her tight, little asshole. It feels...nice. How bad could his cock be?

"Okay," Tiffany says. She holds herself absolutely still as Mike rubs the head of his cock, wet with her own juices, against her asshole. He pushes forward gently, penetrating her with incredible slowness,

her asshole gripping his cock even tighter than her virgin pussy ever had. They both moan as he slides his cock all the way up her ass, completely filling her. Tiffany cries out in pleasure and shock. She had never even imagined such sensations.

Jerry, his hard-on still bobbing in front of her face, slides his dick between her lips and into her wet, warm mouth, muffling her moans. Mike thrusts slowly and steadily into her ass, reaching around to stroke her clit with two fingertips....

Sixty-nining each other, Linda is the first to lose control. As she sucks at Jessica's pussy, she feels a wave of heat flash through her body. Her hips buck and she screams, clutching Jessica by the waist. The vibration of her yells spread through Jessica's body, adding the final stimulation and sending her over the edge, making her cum so hard her pussy juices flow over Linda's face and into her mouth....

Jerry, who has been focused on Tiffany's mouth sucking on his cock, looks over to see Jessica and Linda in a sixty-nine position, screaming and shuddering against each other. The sight is enough to make any man cum on the spot. He groans out loud and grips the edge of his seat as his cock spasms in Tiffany's mouth, spurting hot cum over her lips and tongue. Tiffany hungrily swallows what she can, then pulls back to let the rest spill on her neck and chest, the hot, thick droplets rolling down between her tits.

With sudden urgency, Mike moves faster, fucking Tiffany's ass hard and deep, pulling her hips back against him with every thrust as his fingers plunge in and out of her pussy.

"Oh, God!" she gasps, leaning back against him, her back against his chest, her ass shoving hard into him, taking every millimeter of cock he has. "Fuck me, come on, fuck me hard!" Her back arches and she wails, shaking against him as he pulls her tight. Her tight, little asshole contracts around his cock, squeezing with amazing strength as she cums, and Mike finally lets go and shoots his load up her ass.

There is a long moment of silence, broken only by the sound of panting, of five well-fucked college kids getting back their breath.

After a while, Jessica sits up next to Linda. "Hey, guys..."

"Whaa...?" Four exhausted, elated young people look up at her.

"I've been thinking," she says, grinning naughtily. "Do you think we could charge money for admission if we made *this* part

Eighteen-year-old Celeste may be a pretty, little blonde girl, but she hangs out with a pack of outdoor adventure types. You know, those guys who do extreme sports and call each other "dude." They even call Celeste "dude." But Celeste doesn't mind. She likes being accepted as one of the guys. She likes riding dirt bikes and being the only girl hanging out with a bunch of hard-bodied young guys. She has a lean, muscular boyfriend who fucks her long and hard. Sometimes she goes camping with her boyfriend and the other guys. As her boyfriend fucks her and she starts to moan, she wonders if the guys in the other tents are listening and jacking off. She wonders if deep down they all want to come over and take turns fucking her again and again. Celeste sure wouldn't mind. She's knows she'd enjoy it. She also knows they'd never do it. They've got too many hang-ups. And they think *they're* extreme!

hen we first saw 18-year-old Jassie in our September 2001 issue, the first thing we thought was, "What a pretty girl! She could be a fashion model!" But Jassie's not just a pretty girl. She's also a pretty dirty girl. She likes spreading her legs and fingering her pussy for the camera. She likes the idea of making thousands of guys get stiff and need to jerk their cocks for relief. And (as you can see) she likes to get fucked. Her slender, girlish figure writhes with passion and her hips begin to buck spasmodically whenever she sees a big stiff prick. Her pussy gushes and by the time a guy mounts her she's always fully lubricated and ready to take it up to the hilt on the first thrust. Jassie loves to make guys cum. She loves it so much that sometimes, when a guy grunts and unloads into her pretty face, she cums too.

Touchy Feely

Best friends, bunkmates, school chums. Very often it is the ones closest to you that you experiment with sexually.

In our October issue 18-year-olds Sabrina and Dawn licked and frolicked in the sun with a third girl (Misty). This month's pictures were taken before that—before, in fact, Dawn (in the blue blouse) had ever been with another girl, on camera or off. Dawn was a little nervous, so experienced Sabrina took charge. “Don’t be nervous, love,” she said with her saucy English accent. “Just give us a little kiss.” Dawn didn’t hesitate. She didn’t want Sabrina to think she was an amateur. Besides, the sight of Sabrina in her tight, pink bra and panties was making her pussy feel all tingly. After the kiss, Sabrina peeled back one of the cups of her bra and smiled. “Go on, give it a little lick,” she whispered. Again, Dawn didn’t hesitate. Sabrina’s sexy ways were getting her excited, as Sabrina was about to discover. “My, it’s awfully damp down here!” teased Sabrina as she worked her middle finger into Dawn’s tiny hole. “It’s also getting damp down here,” she added, slipping a hand into her own panties. “Wanna feel?” Dawn didn’t hesitate.

Tiny Titty Teen

There are guys in 18-year-old Lisa's class who she thinks are secretly in love with her. She imagines them jerking their meat and fantasizing about her. "I like to think of this one cute boy stroking his cock while he imagines making out with me in the backseat of his dad's car," she confesses. "He always cums as he imagines slipping his hand under my blouse and touching my tiny, little tits. Another cute boy imagines me pulling up my top, and when he sees my nipples pop out, he cums in right his hand! I wonder what they would think if they actually saw me exposing my little titties and spreading my pussy in **LIVE young Girls**? Do you think they would ask me out on a date?" Of course, Lisa. But not until they finished splattering your pictures with cum.
